Thank you to the cooking crew: Charlie Freeland, Jim Peet, Bob St.Amour, Keith Murray, Doug Becker; and thanks to Si for being the raffle ticket seller. The next gun raffle that the Club has we have to be able to sell tickets online because the gun sales were not as robust as in the past.

Very sad to report that Karen Beckman has been in the hospital for the last three weeks. No report on Tim Lombardi nor Rick Whigham. Our best wishes and prayers to these people.

Vice President's Report: No report.

Secretary's Report: A great BIG thank you to Dave & Sandy Longcor and their valued crew for a fantastic USPSA match.

Report of Committees:

Pistol/Rifle Range: Jim Peet requested funding for a shade canopy over the wedge to be purchased from Randy Smith. It was moved, seconded and unanimous vote to allocate \$3000 for this project.

It was moved, seconded and unanimous vote to have a one-yard dumpster at the Lower Range with pick ups once a week for \$111.00 per month. The recycle dumpster would be included in this cost.

There was a lengthy discussion about an injured RSO that wants to come back and reclaim his old times on the range. It was the consensus of the board that he could reserve for a two-week time period and then re-apply for the next two-week period.

Trap Range: No report

RSO Committee: RSO meeting will be Monday, September 30, 2019, at Colina de Oro, 5:00 PM. There will be a committee meeting of Pam, Bob St.Amour and Tony Rabbe at Personal Defense Weapons on 9/16/2019. Punch Card sheets will be on a clip board in the connex and the RSO will fill it out.

El Dorado Youth Trap Shooters: Bill Foster expressed gratitude and thanks from the group for the trailer that the Club purchased for their use. It will make a huge difference in carting their stuff to shoots, etc.

Old Business: Bill Foster reported on and showed us the prototype of the Club's new web page. The goal is to have a much more user-friendly site and more modernized. The calendar will be moved to Google calendar to make it easier to use.
